E-atlas

European agricultural landscapes
Farmland

National landscape type:
Cultural landscape with traditional land use and scattered settlements

Land cover CLC 2012:

- **Non-irrigated arable land**
- **Heterogeneous agricultural areas and land principally occupied by agriculture, with significant areas of natural vegetation**

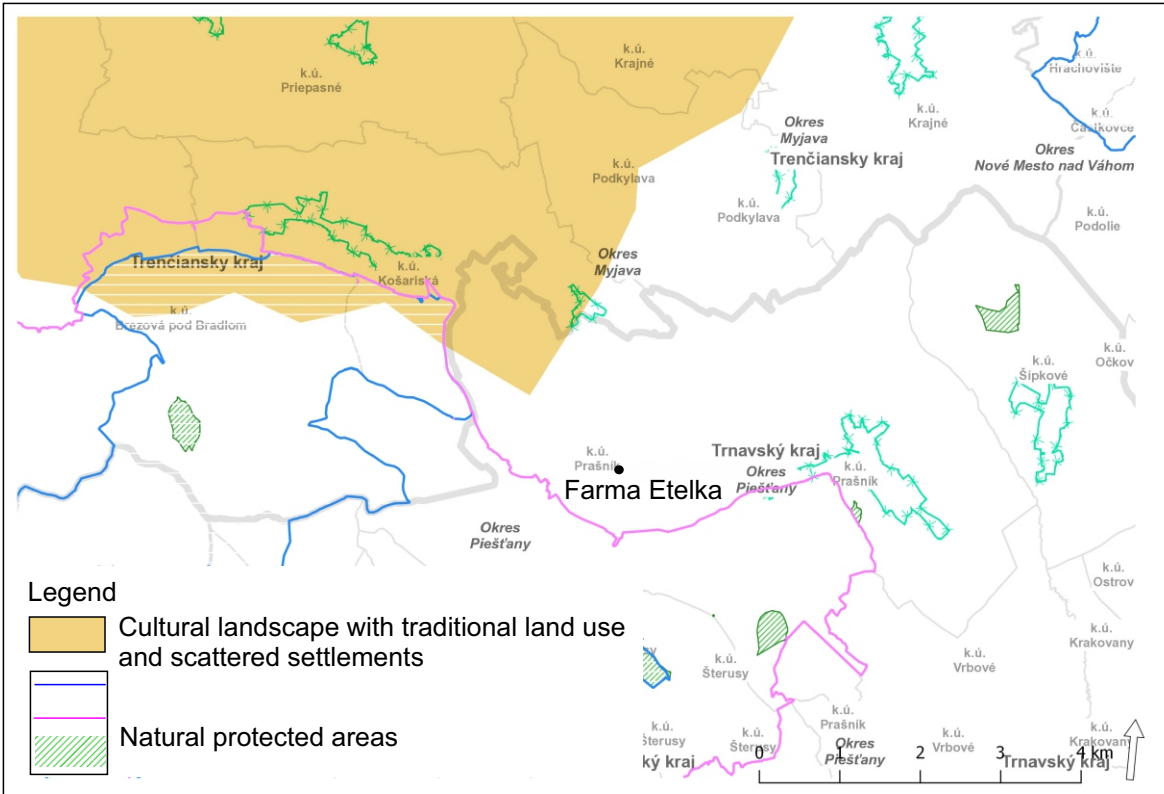

Landscape character and the natural, cultural, and historical heritage

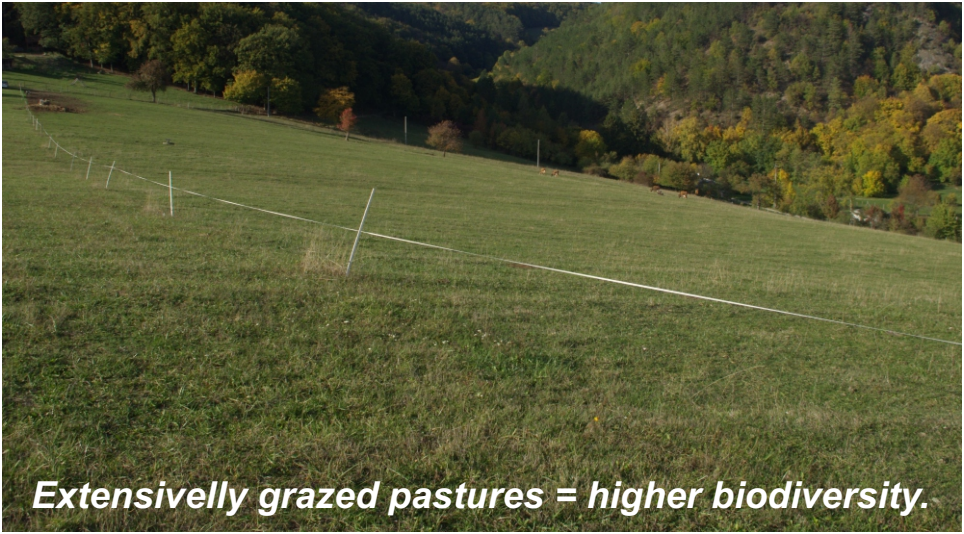

Funded by the
Erasmus+ Programme
of the European Union

This project has been funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Extensively grazed pastures = higher biodiversity.

Orchards create seasonal color effects.

***Traditional scattered settlement
regionally called „kopanice“.***
